

Refund of Student Fees Policy and Procedure

1 Purpose

To comply with the relevant legislation under which the University is bound and to ensure the University delivers a transparent, effective and efficient Student Fee refund process.

2 Scope

This policy applies to past Students, current Students and Applicants, their Authorised Representatives and/or Official Sponsors seeking a refund of Student Fees. The Refund of Student Fees Policy applies to all Tuition Fees, Student Contribution Amounts and Course Money received by the University, or a third party acting under contract on behalf of the University, and applies equally to Monies received either directly or indirectly from the Student.

This policy also applies to refunds relating to Miscellaneous Student Fees, Fines and Charges as defined, overseas health cover and credit balances on Student Accounts.

3 Policy Statement

Under the *Higher Education Support Act 2003* (HESA) the University is listed as a Table A - "higher education provider" and therefore must comply with all the relevant sections of that Act. Further, the University as a "registered provider" under the *Education Services for Overseas Students Act 2000* (ESOS Act) is bound by that Act and subsequent *Education Services for Overseas Students Regulations 2001* and the National Code of Practice for Providers of Education and Training to Overseas Students 2018 (National Code) and the Education Services for Overseas Students (calculation of refund) Specification 2014.

Under the guidance and framework provided by these Acts, Regulations and Codes, the University will conduct all Student Fee refunds ethically, honestly and with fairness to all parties.

Unless as required under legislation, this Policy will be applied equally, in the context relevant to the circumstance, to all Students, past Students and Applicants of the University, including Students in Commonwealth Supported Places, Domestic Students and International Students.

This Policy aligns with the:

- *Higher Education Standards Framework (Threshold Standards) 2021: Standard 7.2*
Information for Prospective and Current Students
- *National Code of Practice for Providers of Education and Training to Overseas Students*

4 Principles

The University will:

- Ensure this Refund of Student Fees Policy is publicly available to all Students and Applicants.
- Ensure Students have an option to leave credit balances (excess payments after Census Date) on their Student Account to be applied against future liabilities the Student may incur with the University.
- Ensure International Students are given access to a copy of this Policy prior to accepting a place at the University under a Student Visa.
- Enter into a written agreement with the International Student, concurrently with or prior to accepting Course Money from the Student, that contains information regarding refunds of Course Money.
- Include a clause in all Education Partner contracts (including Support Offices) regarding the refunding of Course Money received for a University Enrolment, to ensure the Education Partner's refund policy is consistent with this Policy.
- Through the Education Partner review process, ensure their refund practices are clearly stated and publicly available and meet the *ESOS Act* and National Code requirements.
- Develop and make publicly available Review of Decision processes for issues regarding Student Fee refunds.

5 Procedures

5.1 Grounds for a Refund and Establishing the Amount to be Refunded

5.1.1 Tuition Fees and/or Student Contribution Amounts

A Student is entitled to a refund of Tuition Fees and/or upfront Student Contribution Amounts under the following circumstances:

1. A Student, who withdraws their Enrolment in a Course before the last date to drop Courses in that Study Period (Census Date), is eligible for a reversal of Student Fees and a full refund of Monies paid upfront for that Course, with the exception of an International Student in their first six months of on-campus study at the University, who requests a transfer to another registered provider.

2. An International Student, in their first six months of on-campus study at the University, who requests a transfer to another registered provider must apply for a Letter of Release. Where the University grants a Letter of Release, before the last date to drop Courses in that Study Period (Census Date), the International Student is eligible for a reversal of Student Fees and a full refund of Monies paid upfront for their Course(s) in that Study Period. Where the University grants a Letter of Release, after the last date to drop Courses in that Study Period (Census Date), the International Student is not eligible for a reversal of Student Fees or a refund of Monies paid upfront for their Course(s) in that Study Period.
3. All Student Contribution Amounts must be made by the Student on or before Census Date for a Study Period. Where University records indicate a Student has made a payment after Census Date, the University cannot accept this payment, and will refund the Monies to the Student.
4. A Student who is granted "Withdrawal without Academic Penalty and with Fee Reversal" under the University's Enrolment Procedure is eligible for a reversal of Student Fees and a full refund of Monies paid upfront for that Course.
5. The offer of a place to a Student is withdrawn by the University or the University is unable to provide the Course or the Program. The Student is entitled to a full refund of Monies paid in advance for the Course or for Courses in that Program.
6. A Student fails to meet program progression rules in accordance with the Student Academic Progress Procedure or the Higher Degree by Research Student Progress Procedure and is not permitted to re-enrol. The Student is entitled to a full refund of Tuition Fees and/or upfront Student Contribution Amounts paid in advance of provision of Notice of Exclusion.
7. Withdrawal due to Special Circumstances in accordance with the Assessment of Special Circumstances Procedure.
8. An International Student who obtains Permanent Residency status on or prior to the Study Period Census date, has provided certified documentary evidence of the residency change and is eligible, as a Commonwealth Supported Student to be charged the Student Contribution Amount or, if ineligible for Commonwealth support, is eligible to be charged the domestic tuition fee, will be entitled to a refund of the difference (if any) between Monies paid in advance of that Study Period as an International Student and those fees applying to a Domestic Student.

The University may refuse to provide or continue to provide a Program to a Student in one or more of the following circumstances:

- The Student, or their Official Sponsor, failed to pay an amount they were liable to pay the University, directly or indirectly, in order to undertake the Program;

- The Student breached a condition of their Student Visa (where applicable); and

Where an offer to an International Student was made on the basis of fraudulent documents or incomplete or incorrect disclosure, the University reserves the right to subtract amounts from Course Money as detailed by legislation.

5.1.2 No Refund - Tuition Fees and/or Student Contribution Amounts

The Student accepts this rate of conversion by their signature on the refund application form.

Where the University is unable to transfer AUD or the Student or their Authorised Representative's preferred currency to the country due to international banking limitations or where the cost of the transfer would result in excessive international bank charges for either party, the University will select the most appropriate foreign currency.
