Academic Integrity

1 Definition

Academic Integrity means acting with the values of honesty, trust, fairness and respect in learning, teaching and Research. It is important for Students, academics, Researchers and all staff to act in an honest way, be responsible for their actions, and show fairness in every part of their work. Staff should be role models to Students. Academic Integrity is important for an individual's and an institution's reputation (EAIP, 2013).
