4 Procedures

4.1 Types of Authority to Act

A Student may give an Authority to Act to another person and/or entity in relation to one or more of the following types of matters:

- access to and changing of personal records;
- access to academic records;
- access to Enrolment information;
- financial transactions;

- lodging of Appeals;
- making a Complaint;
- requesting a review of Decision;
- to receive and respond to communications from the University;
- other business matters not specified.

An Authority to Act cannot be acknowledged in relation to academic or research matters; e.g. undertaking Formal Examinations or completing Assignments or undertaking research on behalf of another person.

With the exception of incarcerated Students, normally an Authority to Act is only acknowledged for a single person and/or entity. Additional Authority to Act powers may, however, be acknowledged in certain circumstances at the discretion of the Deputy Academic Registrar and Director (Student Administration).

Applicants who apply through the Queensland Tertiary Admissions Centre (QTAC) may provide permission for an Authority to Act via the QTAC website that will remain in place up to and until the time that the Student becomes enrolled in their program.

Where relevant, the University may provide information to commonwealth and state government departments, agencies and their authorised agents or contracted service providers in accordance with the Privacy Policy.

4.2 Acknowledging an Authority to Act

4.2.1 Automatic Authority to Act of Authorised Representative

An Authority to Act will be automatically acknowledged for an identified Authorised Representative where existing arrangements with a Student or legislative requirements exist. The process for identifying and automatically acknowledging an official permission to an Authorised Representative on behalf of a Student is provided in the Student Authority to Act Schedule.

4.2.2 Authority to Act acknowledged through an existing legal instrument

In certain instances an Authority to Act on behalf of a Student may be acknowledged for another person and/or entity through an existing legal instrument such as an enduring power of attorney, a support person or guide assisting a person with a temporary or permanent incapacity or disability. If such an Authority to Act has been granted through an existing legal instrument, it is the responsibility of the person who holds the Authority to Act, or the person who is subject to the Authority to Act to make the University aware of the legal instrument that provides the

Authority to Act. The person who makes the notification to the University must complete the Authority to Act Form and satisfy the identity requirements specified on the Authority to Act Form.

The completed Authority to Act form, an original or Certified Copy of the legal instrument and original or Certified Copies of the identity requirements are to be submitted by email to:

admin.support@unisq.edu.au

4.2.3 Nominate an Authority to Act

If a Student wishes to nominate a person or entity to be acknowledged as having an Authority to Act on their behalf, the Student and the identified party must complete the Authority to Act Form clearly stating the matters for which the Authority to Act is granted and the duration of the authority. Both parties must also satisfy the identity requirements as set out on the form.

The completed Authority to Act Form and original or Certified Copies of the identity requirements are to be submitted by email to:

admin.support@unisq.edu.au

4.3 Processing and recording Authority to Act

All Authority to Act will be processed by the University and recorded in the University's official record keeping system.

Applications to nominate an Authority to Act, and Authority to Act granted through an existing legal instrument will be processed by Student Administration and recorded in the University's official record keeping system. Such applications will only be processed if identity requirements can be satisfied.

4.4 Exercising an Authority to Act

A person and/or entity which has been acknowledged as having an Authority to Act is known as an Authorised Representative and may act on behalf of the person subject to the Authority to Act in relation to the matters for which the authority was granted only.

In all transactions with the University where the Authorised Representative is acting on behalf of a Student, identity requirements must be satisfied to the level as provided on the Authority to Act Form. If the University is not satisfied with the proof of identity provided by the Authorised Representative, the University will not allow the Authorised Representative to transact business until these identity requirements are met.

If the University suspects that fraudulent or corrupt activity is being undertaken or being planned to be undertaken by an Authorised Representative, the University will not allow the Authorised Representative to transact business and will report the matter to the appropriate authorities for

investigation.

4.5 Revoking an Authority to Act

4.5.1 Automatic Authority to Act of Authorised Representative

Where an Authorised Representative has been automatically acknowledged as having an Authority to Act on behalf of a Student, the process for revoking that Authority to Act is provided in the Student Authority to Act Schedule.

4.5.2 Nominated Authority to Act

A nominated Authority to Act will remain in force until:

- expiration of the duration of time specified on the approved Authority to Act Form; or
- the person who granted the Authority to Act completes their business with the University; or
- the person who granted the Authority to Act revokes the Authority to Act through the completion of the Revocation of Authority to Act Form and submission of appropriate identification requirements. The form and the identification requirements are processed by the University.

A Revocation of Authority to Act Form can be submitted by email to:

admin.support@unisq.edu.au

4.5.3 Authority to Act given through an existing legal instrument

An Authority to Act given through an existing legal instrument will remain in place until:

- the powers given through the legal instrument expire; or
- the Authorised Representative or person subject to the Authority to Act completes their business with the University.
