All Scholarships, Bursaries and Prizes must be initiated, developed and approved prior to being activated. The requirements that must be satisfied prior to activation are dependent on the classification of the Scholarship, Bursary or Prize.

### 4.2 University Funded Scholarships, Bursaries and Prizes

#### 4.2.1 Proposal development

Proposals may be made by any section of the University. The section of the University making the proposal will be responsible for funding the Scholarship, Bursary or Prize if approved and financial consideration should form part of the proposal. The section making the proposal for a new Scholarship, Bursary or Prize will gain the relevant stakeholder support and approvals prior to submission.

The proposal should be developed in memorandum format demonstrating:

The Associate Director (Student Administration) is able to provide support and guidance for proposal development.

Proposals which do not support the Strategy will be referred back to the drafter for further consideration.
