

# Physical Security Policy

## 1 Purpose

To outline the University's responsibilities in protecting people and tangible Assets through the implementation of physical security controls.

## 2 Scope

This policy applies to all University Members, Students, tenants, and tangible University Assets.

## 3 Policy Statement

The University attempts to ensure, as far as reasonably practical, the personal safety and security of the University people, at all University controlled facilities. This will be achieved by endeavouring to provide a safe and secure environment and related services.

## 4 Principles

- Security is everyone's responsibility, and the University is committed to developing and fostering a positive security culture, which is critical to effective security outcomes.
- Through a Safer Communities approach the University will engage a whole-of-institution strategy to identify and manage physical security risks.
- The University is committed to the development, education, maintenance and monitoring of security procedures.
- Campus Safety and Security is responsible for coordinating and providing Physical Security Infrastructure and Security and Emergency Equipment.
- Campus Safety and Security will ensure compliance with the principles of the Australian Government's, Protective Security Policy Framework (PSPF) and where applicable Defence Security Principles Framework (DSPF).
- Campus Safety and Security will work in partnership with external agencies including police, fire services and other government agencies, with a high focus on threat intelligence and counter-terrorism prevention and preparedness.
- Campus Safety and Security is responsible for regular internal audit of its Security Ecosystem, comprised of an intelligence driven threat management approach,

coordinated emergency management system, enhanced system and infrastructure capability.

- Campus Safety and Security is responsible for ensuring the compliance of Campus Safety and Security Officers, to ensure compliance with relevant industry legislation and standards.
